## ABOUT

---

Pacific K is Latvian songwriter Kristaps Bedritis' creative nest. Worldly sounds set in a meditative indie mood that carry deep and melancholic stories with a dark twist and a light at the end of the tunnel. Performing both solo and as a four-piece band, their sounds range from indie & rock to ambient & acoustic and are inspired by other artists, such as Fink, Ben Howard, Sigur Ros, Low Roar, The Barr Brothers and many more.

So far Pacific K have released the debut EP “Blue Fall” (2017), their acclaimed full-length studio album “Light Between Oceans LP” (2020) that features a collaboration with the French jazz trumpeter Erik Truffaz on the song “Castaway”, a solo EP “Light Variations” (2021) and a collaboration with the Lithuanian singer-songwriter Ingaja on the song “Bullet” (2022).

Pacific K have played shows in the Baltics, Germany, Portugal and Spain, festivals in Latvia (*Positivus, Laba Daba, Playground, Piens Fest*) and Lithuania (*Gatves Rokas, Akaciju Aleja*), performed for the global concert series Sofar Sounds in Latvia, Lithuania and Portugal, and opened for one of their influences - the British band [Fink](#). Their music has also been featured in the documentary short “[Mind Your Step](#)”.
